2025 Year-End Letter

Compassionate Community,

As we pause to reflect on this past year, our hearts are full as we look back at all that Jesus has done. We are in awe—yet never surprised—because He shows up every single time.

For much of the year, our back (reserve) pantry sat nearly empty. And yet, week after week, there was always enough food in our shopping area to meet the needs of our neighbors. It truly felt like a modern-day manna experience—daily provision, just as He promised.

As we moved into October, the need increased significantly. The loss of government food assistance became very real for many in our community, and more families began coming through our doors. What once looked like daily provision suddenly looked like the opening of the floodgates. Once again, God proved faithful.

In both seasons—the quiet trust and the abundant overflow—we give thanks. We worship the One who provides. We will continue to give Him all the glory, to look to Him for provision, and to share His goodness with our volunteers, our clients, and our community.

We are deeply grateful for you. Your partnership makes this ministry possible. At I-58 Mission, we truly see the beautiful hands and feet of Jesus in the faces of those who serve and those who give.

We ask that you join us in prayer as we lean into a prompting to expand our building so we can serve our community more effectively and make room for even more people to hear the gospel each Thursday. We have been working with an incredible nonprofit that completed a feasibility study of our property, and we are now taking thoughtful steps toward this next season. We do not make big decisions lightly; our deepest desire is to be exactly where He wants us to be. Your prayers and continued support are incredibly important to us.

Thank you for being part of what Jesus is doing here. Because of your faithfulness, lives are being touched, hope is being restored, and eternity is being impacted.

Grateful,

Karhma Novak
Executive Director
The I-58 Mission

YTD Distribution Through December 2025

269,583 Pounds of Food
26,390 Clothing Items
9,711 Home Goods
